If he doesn't want to go that route, what did you think of the custom list service? ( ) As I mentioned, I was thinking of using it. I've actually never done any amount of data entry, so I have no idea what would be involved in doing this. I was wondering if anybody who has done this before could comment on the pros/cons of this service. Thanks I agree with NYC, and have done that same thing. I changed all the names (as well as the start and end time) of the tickets, and some extra info. I'm not sure if you can do this during the sign up process for the list, or if you do it later. I'll have to ask them about that. But, I was just starting to see responses from customers who had gotten their cards. What I did was, buy a bunch of ticket packs, and then set them all up and register them to the list.Tag: around BRENTWOOD, TN (August 19, 2015) – Christian School of Brentwood's 4th grade class returned from the summer vacation with a new set of books. The summer was particularly fruitful with the class reading books such as "The Boxcar Children," "Anne of Green Gables," and "The Velveteen Rabbit." Then, as usual, late in the summertime, the class thought it would be a nice break to spend some time reading in the library. Brentwood, TN (July 15, 2015) – Downtown Brentwood at night presents a really beautiful picture. There are lights d0c515b9f4
