San Diego CLU License Course San Diego CLU® Certification is a comprehensive program designed for CPA's who want to make a significant advancement in their career. The course builds on the original 4-hour exam, thereby allowing CPA's to potentially obtain an 8-hour California Public Accountant License. This course provides a complete overview of the General and Special Requirements of the CLU Exam, as well as the California CPA Exam Objectives. The focus is on the knowledge of the education and experience that California CPA's must have to be able to pass the first part of the CPA Exam. Since the topics covered in this course prepare CPA's for
