Security is not just about our physical safety or the security of our property, it is also about the security of our personal equipment and software, as data is the most important in today's... View this and other pins on user Dmitry's My World board. Tagged Security is not just about our physical security or security of possessions, it is also about the security of our personal hardware and software, as data is the most important in today's modern... View this and other pins on user Dmitry's My World board. What others are saying #Repost @mary_slovak : What to do if you are stuck on a train, plane, car? I'm sure everyone has been in that situation. And for sure there was some unconventional solution and way out. And I certainly wouldn't want it to end in tragedy. That's why, I offer you my rules and tips on how to get out of this situation. Save the post and don't repeat other people's mistakes. And if you have more ways to get out of it, write in the comments. So, here we go. 1. What others say #Repost @mary_slovak : What to do if you're stuck on a train, plane, car? dd2bc28256
