nemeth as355 16. 06.2006 17:28 â†’ And finally, here it is! This is a brand new and one of a kind creation. It is dedicated to my favorite song "I love you, life". And now about the creativity itself. This is my first composition, and, of course, it cannot but have its shortcomings. But, with all this, I hope that in the future - it will become better. I think that - if I could, I would create an entire album, with a few tracks.
