P. Novak · 2013 · Annotation. In this article, using a comparative analysis, fairy tales included in the Slovenian school curriculum and book textbooks are presented. To the topic "A fairy tale in our life" Article on the topic: "A fairy tale in our life" Completed by: a student of the 7th grade, secondary school No 1, Rzhhev. Checked by: teacher of biology and geography, secondary school No 1, Rzhhev. year 2013. A fairy tale in our life A fairy tale lives in every family, it is familiar to us from childhood. We believe in her as our ancestors believed, and she saved us from troubles and sorrows more than once. And lately, fairy tales have been forgotten. But in vain. Fairy tales not only entertain us, but also help us understand ourselves, our dreams and desires.
