4. The information you provide to Snap may include, but is not limited to, Your name, email address, postal address, date of birth, gender, country, credit card information, photo identification, other biographical information, and your mobile number. When You download, install, or access Snap Camera, You warrant that the information You provide when You register and/or otherwise opt into Snap Camera is true, correct, and complete. For example, You agree that You are at least 18 years of age. You agree to promptly and truthfully update Your information if You change the information You provide to Snap. This Agreement governs Your use of: (i) the Snap Camera software, and any other software and tools marked in an accompanying file as being subject to this Agreement (collectively, the Snap Camera Software); and (ii) certain documentation relating to the Snap Camera Software, including, video tutorials and other information made available to user on the Snap website, apps, or by any other means (collectively, the Documentation), for the Term of this Agreement as set out in Section 11 below or as otherwise specified by Snap in writing. Snap may make the Snap Camera Software and Documentation (collectively, Snap Camera) available via download or by any other means at Snaps sole discretion. This Agreement is effective as of the date You download, install, access, or use Snap Camera (the Effective Date). Ive also tried to download the ESP32 debug boards but to no avail. Ive tried the ESP32 USB starter kit and it just gives me the same error. Ive tried attaching a WiFi board (ESP32 wlan shield) as well but doesnt work as well.
