Neither does it star Matt Damon as Jason Bourne. In fact, Jason Bourne is .Rabbit ocular hemorrhage in a newborn. The authors report the case of a full-term female infant with isolated vitreous hemorrhage occurring at birth. Intense posterior vitreous hemorrhage was diagnosed using B-scan ultrasonography. The infant recovered with a tapering course of topical antiglaucomatous therapy. The immediate postnatal history was noteworthy, however, for the presence of a hemorrhage in the anterior chamber of the right eye, presumably secondary to trauma from an intraventricular injection. However, as the infant had recovered by postnatal day 7, no further hemorrhage was seen despite follow-up over 1 year.TAIPEI, Taiwan—In the heart of a secluded stretch of Hsin-Yi Road in northern Taiwan, architect Chang Chi Chiu builds from the bones of the earth. An architect-engineer-plumber-carpenter-sculptor-mason who calls himself a “technologist and artist,” Chang has carved out an isolated niche on the island. Under a mango tree, a 19-year-old soil-concrete composite is revealed to be the legacy of generations of farming families that bought up the land, and his company—Changworks—serves as a living laboratory for how green building techniques can be applied to Taiwan’s constrained environment. Chang, who takes pride in his modernist design sensibilities, is best known for his unusual, environmentally aware building, Hsin-Yi House. When architects asked him to create a second home for a lawyer, he did, and the result was Hsin-Yi House II. Next, Chang, who also served as a model for Neil G
